TO: All ARCA Gold Cup Late Model Teams

RE: Tires for April 20, Ross Mortgage 200 presented by PNC Bank at Toledo Speedway and additional information.

The designated Hoosier tire dealer for the April 20, 2019 race at Toledo Speedway is Clyde Moody, who services the ARCA/CRA Super Series tour and performed this service for the past 3 years for this event. Toledo Speedway will NOT be selling and/or mounting tires for this event.

ARCA Gold Cup Late Model teams racing April 20 need to contact Clyde to place orders for stagger and quantity of tires desired. Clyde can be contacted by calling (706) 878-7988 or emailing clydemoody@hemc.net.

Clyde will have an updated list of those teams pre-entered and will reference that pre-entry list in prioritizing stagger requests. The entry is enclosed with this letter or can be downloaded from the track webpage under forms and/or contacting Scott Schultz at (419) 727-1100 or emailing sschultz@marcumracing.com.

******FOR ALL GOLD CUP RACES, PRIZE MONEY WILL BE PAID OUT BY CHECK ON THAT NIGHT**, due to the increasing use of credit cards for ticket and concession purchases at the tracks.

As a reminder, the pre-entry fee is \$30 and post-entry fee is \$50 per race. You may also pay for the 5 races...the Glass City entry will be done separately. **The Glass City race will now become a point race for the Gold Cup Series, making it a 6-race Series.

****You can email the completed entry form to Scott and pay at the track...please do so as soon as possible so we can let the fans know who is racing. We also need it when doing the parking for pit slabs.**

The 2019 Gold Cup Series sponsors are: Moran Chevrolet, Dani's Transport, Royal Truck and Trailer, DTS Drive Train Specialists, Francis Engineering and joining the list for 2019 is Innovative Fluids, LLC. Fastime Racing Engines and Parts will again post a \$250 award for the Champion Crew Chief.

A point fund for the top 5 will also be paid out; \$1000-\$600-\$400-\$300-\$200.

BE SURE TO HAVE THE 6-PIN CONNECTOR IN PLACE WITH YOUR IGNITION BOX. IF IT IS NOT WIRED IN, YOU WILL NOT COMPETE.
