

SuperZero 2.0 Mini-Monitor

| Setup Guide |

The SuperZero version 2.0 is based on the original SuperZero first introduced in 1994. Our new version brings minor changes in design and significant performance improvements based on what we've learned over the last 15 years from both our pro audio users and homies. We hope you like them as much as we do.

Setup is simple, but if you have questions feel free to call us at 1-800-NHT-9993 or email us at help@nhthifi.com.

Connections:

Make sure the speaker wires are connected with the correct polarity (plus to plus and minus to minus)

Use decent speaker wire (16 gauge+)

Placement: Anywhere. On stands, on shelves, on walls. Use the Omnimount 10.0 wall mount bracket.

The speakers sound best placed vertically and at ear level, feel free to experiment with other orientations.

Cleaning: Cabinets can best be dusted using a clean microfiber cloth, avoid cleaning the actual drivers.

Power handling is 75watts RMS and **impedance** is 8 ohms.

NHT warranty covers this speaker for 5 years parts and 5 years labor.

Limited Warranty
Valid Only in the U.S.A.

Warranty Period

For a period of 5 years for parts and 5 years for labor (1 year parts and 90 days labor for electronics) from the date this product is first purchased from NHTifi.com or an authorized NHT dealer, Now Hear This (NHT) warrants that if it fails to function properly due to a manufacturing defect, despite its being installed and operated according to these instructions and used under normal conditions, it will be either replaced or repaired with new or rebuilt parts (both at NHT's option) with a unit of comparable value without charge to you.

What's Not Covered

Altered, defaced or removed serial numbers void this warranty.

This warranty does not cover any product used in trade, business, industrial or commercial applications.

This warranty also does not cover the cabinet or appearance factors, or costs, defects or damage resulting from misuse, abuse, accident, improper maintenance, alterations or modifications not authorized in writing by NHT, or parts or labor from any source other than an authorized NHT service location.

Damage due to power exposure in excess of the speaker's published power ratings; ie, overpowering, lightning or power surges, are also not covered.

Your Rights

This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

NHT limits this warranty to the purchase price of the product, excludes incidental or consequential damages, and limits its obligations under any implied warranties under state laws to a period not exceeding their warranty periods. As some states do not allow the above limitations, however, they may not apply to you.

To Obtain Service
