

## **Fueling up for the 2015 Rallycross National Championship**

It is always tough to know where you can get fuel for your vehicle in a new place so the RXNC Committee has put together a comprehensive list of the fuel stations in Indianola and the fuels each one has in stock. Whether you run 87 octane, 93 octane, E-85, or race fuel in your RallyCross car, Indianola has you covered. Check out the attached for your fuel needs and enjoy the 2015 RallyCross National Championship.
