[Championships Criteria by Division](#)

DEFENDING NATIONAL CHAMPION – The current defending National Champion may enter the Runoffs in the class(es) being defended, without meeting any of the above criteria. This provision may not be invoked two consecutive years in the same class, even if he/she repeats as a National Champion.

Notes:

- The above criteria are minimum requirements.
- "Participate" is defined as turning a wheel on track in an official session (practice, qualifying, warm-up, race.)
- At Hoosier SCCA Super Tour and Majors Conference events, points are earned in the Conference in which the event occurs. For Dual-Conference events, points are earned in both designated Conferences.
- Hoosier SCCA Super Tour events also earn points in the Hoosier Racing Tire SCCA Super Tour Championship.
- The participation requirement (i.e. 3 event weekends) may be met by participating in events in different Conferences. For example: Starting the race at Sebring, Road America and Watkins Glen satisfies the participation requirement. Points earned at each of those events remain in each individual Conference.
