

(are not an SCCA member, did not compete in a National rally) will be removed from the standings. It is proposed that everyone remain in the standings at year end regardless of whether they are eligible for a year end award.

9. Delete Article 8.F that states: "If event results are not received within 45 days of the event, or December 31 (whichever occurs first), the event shall not count toward the SCCA RoadRally National Championship Series."
10. Remove the requirement for a competitor to enter at least one National rally to be eligible for a year end award in a National Championship. Rationale: Elimination of unnecessary obstacle to participation in National Championship. Last year's elimination of the "70 Point" rule was a good start. Finish the job.

Proposals 11 through 13 are clarifications or changes that bring the RRR's into agreement with current policy and practice.

11. Update the aspect of Article 9.C that says General Instructions must be mailed via First Class mail to say that General Instructions are to be sent via email.
12. In Article 8.B, clarify that a person must compete in a National rally rather than just work a National rally in order to be eligible for a year-end award. This is not a change from the way it has been interpreted in the past; it is merely a clarification of current procedure.
13. Add the word 'ten' in Article 8 B 4 so that it reads: "contestant may count the best ten (10) of their first fourteen (14) equivalentents entered in each series with at least two (2) of those ten equivalentents coming from a National event. This is not a change from the way points have been calculated; it is merely a clarification of current procedure.
