[Championships Criteria by Division](#)

DEFENDING NATIONAL CHAMPION – The current defending National Champion may enter the Runoffs in the class(es) being defended, without meeting any of the above criteria. This provision may not be invoked two consecutive years in the same class, even if he/she repeats as a National Champion.

Notes:

- The above criteria are minimum requirements.
- "Participate" is defined as turning a wheel on track in an official session (practice, qualifying, warm-up, race.)
- The Majors participation requirement (i.e. 3 event weekends) may be met by participating in events in different Conferences. For example: Competing at Sebring, Road America and Watkins Glen satisfies the participation requirement.
