2. Match Tour specific rules are online: <https://www.scca.com/pages/match-tour>
3. The Tire Rack® is the title sponsor for all 2018 SCCA® National Solo® events. Participants in these events are required to run the title sponsor decal, which is a windshield decal that is to be used at the top of the windshield. Vehicles without windshields may place the decal on the front of the car in a highly visible location approved by the Operations Manager. Decals other than the official Tire Rack® decal, except those required by National Tour Staff, are prohibited on the windshield.
4. Additional event decals required are one SCCA® w/wheel (on the front) and 2 National Tour decals (one on each side). No competing sanctioning body decals may be visible.
5. **If time permits the course may be open for walking between Session 1 and Session 2 for approximately 20 minutes.**
6. **Session 1 will not have an impound. Times from Session 1 will be posted as soon as they are audited and will be available for review during the course walk. If there are any questions with posted times, please see one of the Assistant Operation Stewards with your question. When Session 2 starts, the Session 1 runs will be deemed approved by competitors and marked FINAL (unless an issue has already been brought to our attention).**
7. Trophies will be awarded on Saturday night. Competitors must be present to accept their trophy or have a designee accept it for them. Trophies will NOT be mailed.
8. Changing tire brands for any reason will affect contingency eligibility.
9. Check final results to make sure the manufacturer is correct for your car and tire brand.
