

The following waitlist is in order of entry receipt, based on the timestamp listed. This is the order in which entries will move off the waitlist and into the event when a cancellation is processed. This list does not automatically update in real time, but is rather a report from the registration system that will be run periodically so that those on the waitlist can understand their current position. With that said, there may be names at the top of the waitlist that have already moved into the event and there may be names that have registered onto the waitlist that do not yet appear.

All times shown are in CDT

List is current as of Tuesday June 11 @ 7:30 pm
